CoxHealth Employee Giving Program

CoxHealth is a unique organization. Unlike so many others, our employees are known for going above and beyond in the care of our patients. When a patient has a need, our family at CoxHealth finds a way to fill it. Join with us as we continue to be the BEST by empowering Children’s Miracle Network Hospitals and the CoxHealth Foundation with the resources that change lives. By becoming an employee donor, YOU are making it possible for us to say “YES” when a patient has a need that can only be met through the generosity of our donors.

You will change lives, save lives and improve lives with your gift.

Our employees are why patients like Tom get back up and keep fighting for good health.

Sydney:

19-year-old Sydney is beating her heart disease thanks to the CoxHealth Foundation’s Cardiology Fund support.

Hawke:

An early Autism diagnosis gave Hawke the advantage of starting therapy at a young age. Children’s Miracle Network Hospitals paid for therapy and orthotics to help him walk and run.

Jana:

Jana and her newborn had a rough road after delivery. Thanks to support from the CoxHealth Foundation, the entire family is now healthy and thriving!

Izzy:

Izzy has Spina bifida and by the age of 8 had undergone 13 surgeries. Children’s Miracle Network Hospitals helped her family cover her medical expenses to get the care she needed.

John:

John had a family history of colon cancer and warning signs. Thanks to the CoxHealth Foundation his free colonoscopy is keeping him on the road to good health.

Le’Kai:

At 7 months, Le’Kai was a victim of Shaken Baby Syndrome. With the help of your Children’s Miracle Network Hospitals, he receives physical, speech and vision therapy to help him learn to overcome the effects of abuse.
